## WHAT IS ITS NEW MEXICO?

By joining ITS New Mexico, your organization can be part of the solution to New Mexico's ever increasing congestion problem.

Intelligent Transportation Systems provide cost effecting means to address congestion by utilizing technology and communications needed across all disciplines, ie, transportation service providers, first responders, and all road users including the traveling public.

ITS New Mexico promotes the coordination between key ITS stakeholders and policy makers to encourage public private partnerships, inform decision makers and policy making, and to coordinate the development and deployment of ITS Solutions throughout the state of New Mexico.
